Exceptions

1. Combined rail/road goods transport from the shipper to the nearest loading railway station or from the nearest designated unloading railway station to the consignee up to a distance of 200km (no limitation on distance during the additional summer restrictions); also combined sea/road goods transport between the place of loading or unloading and a port situated within a radius of 150km maximum (delivery or loading).
2. Deliveries of fresh milk and other dairy produce, fresh meat and its fresh derivatives, fresh fish, live fish and their fresh derivatives, perishable foodstuffs (fruit and vegetables).
3. Transport of animal by-products acc. category 1 acc. Art. 8 as well as category 2 acc. Art. 9 f) i) of regulation (EG) No. 1069/2009
4. Use of recovery vehicles, tow services and breakdown vehicles in case of an accident or any other emergency
5. Transport of live bees
6. Empty vehicles in connection with transports mentioned under point 2-5
7. Transport operations using vehicles subject to the Federal Law on the obligations of service; the relevant authorisation must be carried on board and produced for inspection on request.

Also exempted from the prohibition are vehicles belonging to the police and federal border guard, fire brigades and emergency services, the federal armed services and allied troops.

For operations which are not covered by the above-mentioned exceptions, authorisations must be obtained. These, however, will be issued only in the event of an emergency, when delivery by other means of transport is not possible.

Additional information

There exist a certain number of night driving restrictions on specific routes. These are indicated by road signs.
